Asbestos Analysts Registry (AAR) Registered Organizations

Updated January 27, 2012

To verify the current scope of approval and proficiency testing performance, please contact the organization in question. Approval by the AIHA Registry Programs is not a guarantee of the validity of the data generated by an organization. Ensure that the organization has the required state and local licensure, prior to performing work. AAR Registration and inclusion on this document does not convey that the organization or its affiliated analyst(s) are licensed or certified in the indicate state or any jurisdiction.

This web list is, at a minimum, updated quarterly after the close of the ballot which occurs after each AAT round. If you have any questions regarding or find any errors with this listing, please contact the AIHA Registry Programs, LLC Manger, Carter Dezio, at (703) 846-0798 or cdezio@aiha.org.
